

New Drop Off & Pick Up Driving Pattern

Due to the large number of participants and minimal space for cars, we are mandating a new policy to ensure the safety of all our children. Please note this decision is for the safety and security of our children, failure to comply may result in removal from the program.

All cars must enter from Roosevelt Ave (off of York St.), this is the only entrance into the playground. Liverpool Street is a one-way road and should not be entered from Broadway Street. As you travel down Roosevelt Avenue, please stay on the left side of the parking area. Then, cars must circle around dropping off the child/children at the door of the playground building. When exiting, stay close to the playground side of the road and turn left onto Liverpool Street.

When picking up your child in the afternoon we'll follow the same procedure.

This new policy will help us keep your child/children safe. Chaotic parking and backing up creates an unsafe environment, one we hope to eliminate with this new procedure. Please allow yourself more time, as this new policy will require your help and patience. Please see a director with any questions or concerns.

Thank you for helping us create the best program possible.
